2. OBJECT OF THE REQUEST

APLA's background:

The Association of Palestinian Local Authorities (APLA) founded in 1997, APLA is an independent organization mandated to represent and lobby for the collective interests of Local Government Units (LGUs) by supporting capacity building among local governments, facilitating exchange of knowledge and best practices, and serving as vehicle for dialogue between the central government and LGUs. APLA is a semi-governmental nonprofit association that forms a comprehensive framework, which holds all the Palestinian local authorities and works for and with them, to provide better services for the Palestinian citizen by defending their rights, and representing them on all levels nationally, regionally, and internationally.

Project Brief:

APLA is implementing the project (APLA's Multiannual Action Plan - MAAP 2021-2025). This project is largely financed by the European Union, under the financing agreement (FA) ENI/2020/042-362 "support productive investment in Palestine" which signed between EU and the Palestinian Authority (PA). APLA signed a grant contract with the European Union (EU) on 12 December 2021 with total EU contribution of € 1.9 million to implement the project (APLA's Multiannual Action Plan (MAAP) 2021-2025. ENI/2021/425-904). This project has been designed to strengthen LGUs collaborations on service delivery and local participatory development, and improve contributions to territorial integration, particularly in Area C. Specific objectives of MAAP are aligned to APLA's strategic plan and aims to support the role of APLA as LGUs representative and dialogue partner with the Palestinian Authority, to support the role of the

LGUs in the building process of future State of Palestine and to strengthen the institutional and operational capacities of APLA.

The Main Objective of The Assignment:

To increase APLA's operational capacity to implement its goals and duties with appropriate equipment and tools, and in order to enhance APLA's staff productivity in the communication with local authorities, beneficiaries and stake holders in its interventions as per the MAAP project, APLA intends to purchase a **Vehicle (SUV)**. The general requirements and technical specifications are included in this quotation. The supplier (company) should support APLA with available catalogs and specifications of the suggested item, photos and quality assurance attached to their offer.

In this regard, APLA is seeking for a supplier to provide APLA with a **Vehicle - SUV** as attached in Term of Reference, Annex (1).
